

God's Talent Camp

VACATION BIBLE SCHOOL

Date: June 8th-12th

Time: 6-8 pm

Ages: 3 yr olds-rising 5th

Cost: \$10 per child

Gods' Talent Camp is a new type of vacation bible school where kids will learn about being a disciple through theater, singing and crafts.

Everyone has talents that are gifts from God, and sometimes we have undiscovered talents waiting to be found. Please join us for "God's Talent Camp" to learn about Discipleship through Theatre, Singing and Art. The children will participate in all three areas of the arts, and on the final evening they will participate in a performance showcasing what was learned and created throughout the week. A snack will be provided each day.

THEATRE

Our end-of-the-week performance will be lead by a community theater actor/director who will direct the children to interact while having fun performing how to be a Disciple of God.

ART

We welcome the budding Claude Monets to the masters of stick figures to create inspiring works of art.

MUSIC

The children will learn songs and hand motions to fun, whimsical songs supporting our Discipleship theme. No musical training is necessary.
